Dear Resident,

The Bucks County Planning Commission cordially invites you to a special informational open house to discuss the proposed Newtown Rail Trail Phase II Extension to the Churchville Nature Center. The purpose of this informational open house is to provide an update on the progress of the design of the trail, as well for residents to review draft plans of the proposed Newtown Rail Trail extension. The draft trail alignment will begin at Bristol Road and follow the former SEPTA rail line until reaching the Churchville Nature Center in Northampton Township. The draft alignment will be available for review. Photographic simulations will also be on display to assist in visualization of how the trail will be constructed.

The Open House will be held as follows:

Date: Wednesday, September 20, 2023
Time: 7:00 PM – 9:00 PM
Location: Churchville Nature Center
501 Churchville Lane
Southampton, PA 18966

Bucks County Planning Commission staff will be available to answer questions and share information regarding the project. For those unable to attend the open house or wanting to review the materials in advance, these materials can be found on the project website:
