Rails to Trails Update - August 7, 2020

Posted: 8/7/2020 1:10 PM

As part of their ongoing commitment to keeping residents and interested parties up-to-date relative to the ongoing development of the Newtown Rail Trail, the Bucks County Planning Commission has established a website/data portal which will be updated periodically as development of the trail continues to progress. The website contains a variety of information including:

- Construction schedule
- Pre-Construction photographs
- Plans and documents
- Copies of all prior communications regarding the project
- Frequently Asked Questions

The website address is <https://trails-bucksgis.opendata.arcgis.com/pages/newtown-rail-trail-updates>.

Thanks for your continued interest in the development of the trail.
