April 29, 2019

Dear Rail Trail Neighbor,

Upper Southampton Township and the Bucks County Planning Commission cordially invite you to a special informational open house for trail-adjacent neighbors. The purpose of the open house is to provide an update on the progress of the trail, as well as to review proposed landscaping and fencing along the rail trail. This will be an informational open house with plans available showing the proposed fencing and landscaping that will be installed in certain segments along the trail corridor from County Line Road to Bristol Road. All proposed landscaping and fencing will be installed within the trail right-of-way and will be maintained by the County and Township as applicable. The placement, selection, and design of the landscaping and fencing have been thoroughly vetted by the Township, County staff and the trail design consultant. Photo simulations will be available to illustrate representative views from the trail.

The open house will be held as follows:

Date: Tuesday - May 14, 2019
Time: 3:00 pm – 8:00 pm
Location: Southampton Community Center
913 Willow Street
Southampton, PA 18966

Bucks County Planning Commission staff will be available to answer questions and share information regarding the project.

For those of you unable to attend the open house or wanting to review the materials in advance, they can be found by clicking on the link provided below. If you do not have access to a computer, please contact Paul Gordon at the Bucks County Planning Commission, 215-345-3884 to make alternative arrangements.

Thanks again for your ongoing interest in this project and we hope to see you at the open house. Please contact Paul Gordon at 215-345-3884 with any questions.

Sincerely,
Bucks County Planning Commission
