Bucks County is pleased to announce the anticipated availability of funds from the US Department of Housing and Urban Development (HUD) for the **2022 Emergency Solutions Grant Program (ESG)**. Bucks County is considered the grantee for these funds and seeks to award funds to eligible sub-grantees to implement **Rapid Rehousing and/or Prevention projects**. Bucks County is reaching out to providers including Housing Link, Bucks County's CoC, to solicit proposals for the use of these funds.

The selection of projects will be incorporated into the County's Annual Action Plan to be submitted to HUD. All funding allocation requirements for the provision of services, allowable budget expenditures, and necessary reporting and outcome measurements will be incorporated into the subcontracts by reference to the 2022 HUD agreement with the County. The subcontracts will also include the specific time frames for project progress, completion and expenditure of funds.

Participants will be evaluated by the sub-grantee according to policy to ensure continued program eligibility. Sub-grantees will submit reports to Bucks County Housing & Community Development (HCD) to document participant eligibility, services provided and funds expended. HCD will review all requests for payment for services to ensure compliance with regulatory and procedural requirements. HCD will schedule, at a minimum, annual monitoring visits with each sub-grantee to ensure that participant eligibility and uses of funds are properly documented.

Program regulations for ESG Rapid Re-housing and Prevention programs can be reviewed in HUD's 24 CFR Part 576. Specific program components are located in 576.104-Rapid Rehousing and 576.103-Prevention. An ESG Program Components Quick Reference is attached to this notice.

The 2022 Federal ESG Application criteria have been designed to ensure compliance with 2022 Rapid Rehousing and Prevention goals and directives and to assess an agency's capacity in operating similar projects. In addition, the information will determine if an agency has mechanisms in place to implement the program quickly and effectively. **Proposals must address all criteria with specific and complete information.**

Completed applications must be submitted by email to hcd@buckscounty.org with the subject **2022 ESG Application** by **4:00 PM, Monday, March 7, 2022**. Housing & Community Development will confirm receipt of your application via email. If you do not receive a confirmation within 48 hours, please contact the number below.
